Subject: Notice to File Corrected Application (Part 2)

Dear Sir:

A copy of a typewritten specification is enclosed based on the subject notice. Only 44 pages were required when typed compared to the original 50 pages when hand printed. The pages were renumbered to reflect this change.

Another set of three sheets of drawings and other required information that was mailed on 17 March 2001 with my original application is included with this typewritten specification to maintain page number continuity.

Sincerely,

Raymond J. Novotny
